**REPORT AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE**

TO: THE HONORABLE JAMES R. NOWLIN  
SENIOR UNITED STATES DISTRICT JUDGE

The Magistrate Court submits this Report and Recommendation to the District Court pursuant to 28 U.S.C. §636(b)(3). This case has been referred, by order of the District Court, to the United States Magistrate Judge for the taking of a felony guilty plea and the Federal Rule of Criminal Procedure Rule 11 Allocution. All Parties executed a waiver of the right to plead guilty before a U.S. District Judge as well as a consent to proceed before a United States Magistrate Judge.

On February 11, 2009, the defendant and counsel appeared before the Magistrate Judge, who addressed the defendant personally in open court and informed the defendant of the admonishments under Rule 11 of the Federal Rules of Criminal Procedure and determined that the defendant was competent to plead guilty and fully understood said admonishments.

The defendant pled guilty, without a plea agreement, to the sole count of a one-count information, which alleges a violation of 8 U.S.C. § 1326 (illegal reentry of a deported alien).

The Magistrate Judge finds the following:

- 1) The defendant, with the advice of his attorney, has consented to enter a guilty plea before the Magistrate Judge, subject to final approval and sentencing by the District Judge;
- 2) The defendant was competent to enter the plea of guilty, and had both a factual and rational understanding of the proceedings against him.
- 3) The defendant does not suffer from any physical or mental impairment that would affect his ability to fully understand the charges against his or the consequences of his plea.
- 4) The defendant has not had any injury that would affect his judgment in pleading guilty or that would affect his understanding of the basis, consequences, or effect of his plea;
- 5) The defendant was sane and mentally competent to stand trial for these proceedings;
- 6) The defendant was mentally competent to assist his attorney in the preparation and conduct of his defense;
- 7) The defendant fully understands the nature of the charges and penalties, and had the opportunity to discuss the charges and any defenses to those charges with his attorney;
- 8) The defendant understands that he has a right to a jury trial on the charges, at which he would be presumed to be innocent and would not have to establish his innocence, and he understands all of his constitutional and statutory rights related to the charge and wishes to waive those rights;
- 9) The government gave a summary of the evidence against the defendant, the material elements of which the defendant agreed to;
- 10) The defendant understood the status of the law on sentencing and that he could be sentenced within the full range permitted by the applicable statute;
- 11) The defendant is satisfied with his attorney's representation;
- 12) There is an adequate factual basis for this plea; and
- 13) The defendant's plea was made freely, voluntarily and intelligently.

## RECOMMENDATION

The Magistrate Court RECOMMENDS that the District Court accept the plea of guilty and, after reviewing the presentence investigation report, enter final judgment of guilt against the defendant.
